OUR PARTNERS

WECO is an international trade company specializing in importing goods from China into the African Continent. WECO is a legacy company coming from several generations and over 100 years of merchant trading around the globe.

Through strong relationships and years of business with a number of manufacturers in China, WECO has established a network of personal contacts and partnerships in China that enables us to source high-quality goods at competitive prices.

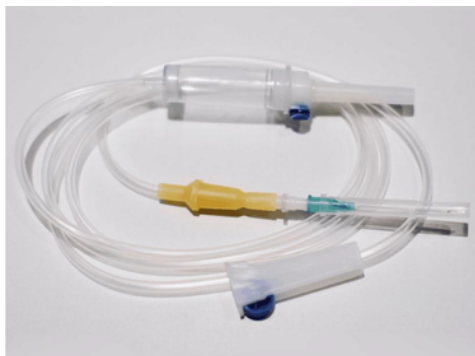

WECO's mission is to provide Africa for a healthier tomorrow where every individual has access to high quality goods and medical care needed to thrive.

Our vision is to empower people by providing sustainable goods to live fulfilling and enriching lives. We believe the pillars of CPG and Healthcare will burgeon people to achieve new heights.

As Chinese manufacturing strengths and global demand increases, WECO has established itself as the leading supplier and distributor in international markets.

WECO AFRICA

WECO Trading is an international trade company specializing in exporting from International and local manufacturers and importing into the African Continent.

WECO Africa has formed close relationships with many manufacturers and has established a network of personal contacts and partnerships in all over the world that enables us to source high-quality goods at competitive prices.

Mission Statement:

At WECO Trading, our mission is to provide affordable and reliable goods and solutions to individuals and businesses across the globe through the trade of high-quality, cost effective products. We strive to provide the markets we serve with goods that promote health and prosperity. Through partnerships built on positive relationships and trust and leveraging our expertise in logistics and distribution, we aim to revolutionize the global market and improve the lives of people around the world, one shipment at a time.

Vision Statement:

Our vision is to become the leading trade group of affordable and reliable products to the global market, providing customers with high-quality products that meet their needs while also exceeding their expectations for value. We are committed to sourcing only the best products from top suppliers and ensuring that they meet every standard in safety, reliability, and affordability. Our goal is to make it convenient for customers worldwide to access these products, and to provide exceptional customer service and support throughout the entire purchasing process. Keeping in line with our philosophy of affordability, reliability, and customer satisfaction, we aim to revolutionize the global industry and become the go-to source for goods.
